

# Server Cabinet Colocation

Your critical data & hardware, our highly secure facilities

[Learn More >](#)

## An Engineered Stronghold for Your Critical Systems

Quarter, Half, and Full locking (42U) server cabinets. Each Quarter and Half server cabinets are physically separate from the neighboring environment, with independent locking doors for security. Full server cabinets offer 42U of continuous secure space, giving your business room to flourish and grow.

Type	Physical Space	Power	Bandwidth	Setup Fee	Price
<b>Quarter Cabinet</b>	10 Rack Units	15A/120V	100Mbps included on a 1Gbps port	\$350	<b>\$350/mo</b>
<b>Half Cabinet</b>	20 Rack Units	15A/120V	100Mbps included on a 1Gbps port	\$500	<b>\$475/mo</b>
<b>Full Cabinet</b>	42 Rack Units	20A/120V	1Gbps Unmetered Port	\$950	<b>\$900/mo</b>
